

NETMAP SOFTWARE INC.
BETA TEST EVALUATION & NON-DISCLOSURE AGREEMENT

**Installation or use of the CVTracker™ v.1.8.7 Beta RC-2 (or earlier versions)
software implies acceptance of all terms and conditions of this agreement.
IMPORTANT - READ CAREFULLY**

Overview

The CVTracker™ is available for use only through the form of a license for using the software. The details of this End-User License Agreement (EULA) are provided in a supplementary sheet with your software. The beta tester is bound by terms of this EULA by use of any part of this software, installing it in any form, or using the product. It is implied that the beta tester will use the software for evaluation and testing purposes only. You may return this software for if you decide not to accept the terms of this agreement. You agree to be bound by the terms of this agreement. The End User License Agreement (EULA) is a legal agreement between you as a single entity and Netmap Software, Inc. for the Netmap Software CVTracker™ Product and its derivatives. This product includes associated files, programs, media, printed materials and electronic documentation. This document supersedes all past agreement relationships concerning this product with Netmap Software, Inc.

All documents, software, written code, document files, online media, and any other media provided with this product are protected by copyright law. Certain elements of the software are protected as trade secrets and may not be released. You cannot copy, reverse engineer, modify, repackage, or otherwise modify the software product, documentation or its peripheral components for any use. No sample product can be distributed or resold without prior written consent from Netmap Software, Inc. This agreement is non-transferable.

1.0 APPLICABILITY OF LICENSE

This product contains documentation, software, written code, implicit code, system modifications, online media, media access, and tangible written documentation, as well as other media that may be distributed with the product. These are hereafter referred to as "products" (collectively or individually) of the "CVTracker" product and it's derivatives and are considered the Intellectual Property of Netmap Software, Inc. This license applies to the right to use this product for end-user purposes. The term "licensee" refers to the individual to whom the license for use of the product is granted. The terms "Confidential Information" or "Information" will refer to non-public information regarding the product and it's parts. This will include but is not limited to details about the user interface, product features, output, data gathering capabilities, performance, specifications, business concepts, and theories involved in the outward design or internal workflow and processes of the software. "Confidential Information" shall not include information that is (i) currently available in the public domain through no action or action of the licensee or wrongdoing by the licensee (ii) is rightfully received from another third party without breach of this agreement (iii) was independently developed by the licensee without knowledge of any Confidential Information or (iv) has been approved for disclosure in writing by Netmap Software Inc.

2.0 GRANT OF LICENSE

Netmap Software grants you a limited and nonexclusive license to use the product for personal use only (for the Beta EULA version this is in exchange for appropriate reporting of errors, bugs, and improvements to the software). The product may not be used for development, commercial, or production purposes. The product can be used by a single individual only. The product may not be separated into elements or other pieces for use by more than one individual. This license grants the user to use of one instance of the CVTracker™ product in whole and as a single entity. You may not sublicense this product or distribute this product. The product remains a property of Netmap Software, Inc. and is licensed to be used for up to one year from the date of acquisition. Netmap Software, Inc. reserves the right to terminate this license at any time for any reason. The CVTracker™ is intended to be used solely for the purposes of employment search evaluation. Netmap Software Inc. is not responsible for inappropriate usage, abuse, or misuse of the application product.

3.0 RIGHTS & LIMITATIONS

3.1 Reverse Engineering

You may not reverse engineer, decompile, or disassemble the product, except and only to the extent that it is expressly permitted by applicable law notwithstanding this limitation.

3.2 Termination

Without prejudice to any other rights, Netmap Software Inc. reserves the right to terminate this EULA if the terms and conditions of this EULA are not abided. In such an event, the original product and all copies of the product and its elements licensed to you must be destroyed.

3.3 Data Collection

You agree that Netmap Software, Inc. may collect and use technical and personal demographic data that you provide as part of support services and marketing information to provide better services to you. Netmap Software, Inc. agrees not to release any such information that personally identifies you or may cause you harm without your consent.

3.4 Resale

The product is not for resale, and hence may not be resold, transferred, or used for any other purpose other than testing and evaluation of the product.

3.5 Export

You acknowledge that the product is of U.S. origin. You agree to comply with all international and national export laws that apply to the product including U.S. Export Administration Regulations as well as end-user, end-use, and destination restrictions issued by the U.S. and other governments.

3.6 Transference of License

You may not transfer any rights of this EULA to any other individual. You have the sole responsibility as a beta tester for this license.

3.7 Single Product

This product is licensed as a single product. Its elements may not be separated for use by one or more users.

3.8 Production Use

This product may be used for personal productive use, generating potential employment leads, and display of resulting statistics, as well as enforcing and meeting quotas, viewing progress of external individuals, etc, provided a sole administrator is responsible for all activities conducted on this product. Multi-user access is forbidden, but multi-user information is permitted to be stored, accessed, and manipulated through the product by a single user.

3.9 Updates

Future updates to the product may be considered a part of the product and will be treated as an element of the product if acquired by the user. These updates may have superseding EULA's associated with them.

3.10 Copy Restrictions

You may not copy the product except for one back-up copy for archival purposes only. You may print one copy of the documentation for personal use. You may not modify or adapt the product in whole or in part (including but not limited to translating or creating derivative works) or reverse engineer, decompile, or disassemble the product. You may not resell or incorporate the product into any commercial products. You may not remove copyright notices, proprietary notices, or labeling of the product.

3.11 Risk of Beta Usage

The product is provided on an "as-is" basis with no grounds for merchantability or support liabilities. It is expected that a Beta program is unstable in nature and may not function in its intended or expected fashion. As this product is in a "pre-release" form, it will be error prone and may cause damage or error to your personal system, other software, and/or hardware. You acknowledge this risk by implementing this

software and hold Netmap Software Inc., its employees, officers, and directors free from any liabilities regarding improper functionality of the software. Support for the program will be provided at the behest of Netmap Software Inc. only.

3.12 Testing

In exchange for license to use this software you agree to the terms of this agreement and to follow the guidelines developed to report errors, bugs, inconsistencies, to Netmap Software Inc. on a timely basis given the instructions provided with the software for beta testers. You also agree to provide Netmap Software Inc. suggestions on improving the product, modifications that could benefit other users, and features you would like to see in the next version of the software.

3.12 Information

All information you report to Netmap Software, Inc. regarding the product becomes the property of Netmap Software and is designated as "Confidential Information". Netmap Software Inc., at its sole discretion may release such information provided. You do NOT have the right to disclose any transactions, report information, details about the software, results of your beta testing, results of your beta test evaluation, or details about the service or process of the beta testing to any third party without prior consent from Netmap Software, Inc. You agree to non-disclosure of all information related to the product. This obligation will survive the termination of this agreement for one year unless waived by Netmap Software Inc.

4.0 DISCLAIMER OF WARRANTIES

No warranties either express or implied are made to you and any such created by any documentation or packaging are to be considered void and non-binding upon Netmap Software Inc.

5.0 EXCLUSION OF INCIDENTAL, CONSEQUENTIAL, AND CERTAIN OTHER DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL NETMAP SOFTWARE, INC. OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES FOR LOSS OF PROFITS, CONFIDENTIAL, OR OTHER INFORMATION, FOR BUSINESS INTERRUPTION, FOR PERSONAL INJURY, FOR LOSS OF PRIVACY, FOR FAILURE TO MEET ANY DUTY INCLUDING OF GOOD FAITH OR OF REASONABLE CARE, FOR NEGLIGENCE, FOR UNEMPLOYMENT RISKS, FOR LOSS OF DATA, OR FOR ANY OTHER PECUNIARY OR LOSS WHATSOEVER, ARISING OUT OF OR IN ANY WAY RELATED TO THE USE OF OR INABILITY TO USE THE PRODUCT, THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT SERVICES, OR OTHERWISE UNDER OR IN CONNECTION WITH ANY PROVISION OF THIS EULA, EVEN IN BREACH OF CONTRACT, OR BREACH OF WARRANTY OF NETMAP SOFTWARE, INC, OR ANY SUPPLIER, AND EVEN IF NETMAP SOFTWARE, INC. OR ANY SUPPLIER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

6.0 LIMITATION OF LIABILITY & REMEDIES

Notwithstanding any damages you might incur for any reason whatsoever (including without limitation all damages referenced above and all direct or general damages), the entire liability of Netmap Software Inc. and any of its suppliers under any provision of this EULA and your exclusive remedy for all of the foregoing (except for any remedy of repair or replacement elected by Netmap Software, Inc.) shall be limited to the greater of the amount actually paid by you for the product or U.S. \$5.00. The foregoing limitations, exclusions, and disclaimers (including sections 4.0 and 5.0 above and as stated in the limited warranty) shall apply to the maximum extent permitted by applicable law, even if any remedy fails its essential purpose.

7.0 TERMINATION

Your license to use the product will automatically terminate in 60 days. Netmap Software Inc. reserves the right to extend, limit or immediately terminate this agreement at its behest. Upon termination, you must destroy or return to Netmap Software Inc., all copies of the product in any form. All disclaimers of warranties and limitations of liability shall survive termination of this agreement indefinitely. The

provisions regarding confidential information shall survive for one year following termination of the agreement.

8.0 MISCELLANEOUS

Titles of various sections of this agreement are solely for clarification purposes and do not constitute the terms of the agreement.

9.0 RESOLUTION OF CONFLICT

You agree that resolution of any conflict, dispute, or issues arising from use of this product will be adjudicated by an external third party as deemed appropriate by Netmap Software, Inc, whether biased towards Netmap Software, Inc. or not. You agree that any legal fees necessary for any court action against Netmap Software, Inc. shall be reimbursed by the plaintiffs and shall not be imposed upon Netmap Software, Inc.

10.0 AGREEMENT

This EULA is the entire agreement with you and Netmap Software, Inc., excluding authorized Beta Testing agreements which would provide additional constraints on disclosure and usage to this agreement, regarding the product and its support services (if any) and they supersede all prior or contemporaneous oral or written communications, proposals, representations with respect to the product or any other subject matter covered by this EULA. To the extent the terms of any Netmap Software, Inc. policies or programs for support services conflict with the terms of the EULA, the terms of this EULA shall control.
